COMPETITION RULES

KATA

Official Kata:

- a. The official Kata for BWF events will consist of: Pinan; Shodan, Nidan, Sandan, Yodan, Godan; Ku-Shanku, Naihanchi, Seishan, Chinto. Plus all traditional Wado variants* of: Bassai, Wanshu, Ni-sei-shi, Rohai, Ji-tte, Ji-han, Ji-in, Suparinpei, Shinsei, Jurokuno, Seienchin, Seisan. Restrictions may be imposed for grade level and or/age of the corresponding event/s, etc.

**Wado variants will also include the official versions of; Wadoryu Karate-do Renmei, Wado Academy, Wado Kokusai Karate-do Renmei, JKF-Wadokai, etc.*

Contestants:

- a. Must be in possession of an up to date BWF 'recognised' Licence (*it must be in the safe possession of the competitor, at all times, for verification of identity (photo), age, grade and insurance, etc.*)
- b. Competitors will be placed in groups relevant to their category. Competitors will be judged on technical presentation.
- c. Competitors have the choice of the numerous 'Official Kata' listed for their category.
- d. Individual Events. At least two Kata must be known, as the choice of Kata must differ through each round.
- e. Pairs & Team Events. One kata may be selected from the official list. NB: Competitors will be judged [primarily] on participant synchronised-cohesion and presentation; synchronisation is paramount to Pairs & Team Kata events.
- f. Competitors will be judged in pairs (of Individuals/Pairs/Teams), in order of relevant selection, from the 'Competitor Sheet'. *NB. Individual competitors will be judged individually (Aka to lead). However, during **eliminating** rounds [only], competitors may be 'paired' to compete simultaneously alongside each other (Ao on the left Aka on the right).*
- g. Judges will be issued with two flags, one blue (Ao/Aoi) and one red (Aka).
- h. The first Competitor (Aka), once called, will bow at the perimeter marker/line and walk to the designated 'start-line' inside the competition area. The Competitor will bow and announce their choice of Kata to be performed. The Competitor will assume the Yohi position (appropriate for designated Kata) and demonstrate the aforesaid Kata. Return to the original position (Yamae) once completed and bow. The competitor will then walk back to the perimeter line and bow again, towards the Chief Judge, before assuming position in the designated waiting-area just outside the competitor/mat area. The next Competitor (Ao) will repeat the process. *NB. For eliminations [only] both competitors may be summoned at the same time to perform their kata.*
- i. When both Aka and Ao have completed their selected Kata the Chief Judge will call for the competitors to return together to the mat area (see diagram below) – *The term 'Shugo' or 'Kyogi-sha Shugo' may be used.* The Chief Judge will then call "Hantei". This will be the signal for the competitors (Aka and Ao) to position themselves, facing the Chief Judge; and for the Judges to prepare to make their decision between the competitors' performances.

Upon the sound of the 1st whistle the judges flags are raised, to make the decision, on the 2nd whistle the flags are lowered.

- j. A decision will be made as to the 'best' performer. The winning competitor would then be selected to go through to the next qualifying round/s. This process would be done continually, until all competitors have been eliminated, to declare the final results, etc.
- k. Repechage System Event: Upon 'Repechage' events, the relevant pre-matched competitor, who faced any final resulting competitor, will be forwarded in the finals. Selections will then be made, by performing in the last round, as to the placing of 1-Gold, 1-Silver, and 2-Bronze etc. *NB. There will be no necessity for any flag 'draw/hikiwake', during eliminating rounds, for a Repechage system event.*

Organisation:

- a. There will be 3 or 5 Area Judges who will determine the Judgement of the match.
- b. All Kata will be Judged on presentation, allowing for technical Wado source-differences & variants between each Wado 'style'. Each Kata will be judged on its individual *aesthetic* presentation (therefore there will be no penalisation for technical differences).

Judges:

- a. Judges must be licensed & qualified and wear the correct attire (blazer, tie, etc.). *A Karate-gi may only be acceptable at Club Level Events.*
- b. Judges will sit at the designated 3 or 5 match area side-lines. There may be 3-Judge areas designated for eliminating rounds followed by a 5-Judge area for Finals, etc.
- c. There will be no communication between Judges, unless for 'technical' clarification etc. However, final decisions must be made independently.
- d. The blue flag will be held in the left hand and the red flag is to be held in the right.
- e. Example of Ao and Hikiwake (draw) decision. The position of each Judge's flag is shown below for Ao and Hikiwake (flags crossed). *NB: Draws are permitted for the first TWO rounds only.*

- f. Three Judge Layout.

g. Five Judge Layout

Judge:

- a. The Chief Judge will call the relevant competitor to the match area (Aka followed by Ao). The performer will take up his position at the start point (in kiritsu), name his Kata of choice, and take up the relevant 'yohi' position. The performer will complete his Kata (assume yamae, naore, tachi-rei), and then return to the 'outside' area of the mat.
- b. When both competitors have completed their Kata, the Chief Judge will then call "Hantei". *This will be the signal for the competitors to position themselves, facing the Chief Judge, in preparation for judgement. Chief Judge may also call "Shugo" prior to "Hantei" for competitors to place themselves in the correct position prior to Judges' decisions.*
- c. The Chief Judge will then blow his whistle; this will be the signal for **all judges** to display their favoured Kata performer with either the Aka or Ao

- flag/card (or, in eliminating rounds only, both flags crossed to signal a 'draw'). NB: There will be no 'draws' permitted in the final rounds.
- d. **All Judges must display their flag for a decision *immediately* upon the sound of the first whistle**, whereupon the administration will call the scores, the judges will then return the flags upon their laps upon the second whistle. The Table Administration will then record the decision and take the necessary procedures for match continuation.
 - e. The Chief Judge *may* show the flag of the relevant winner, at this point, by also calling "Aka (Aoi) no Kachi" for confirmation of the unanimous decision.
 - f. This process will continue until consideration/s of the finals procedure/s.
